

# RPM-E Coils

## Pre-Piped Refrigerant Cooling Module

### Multiple Access Coils:

Can be used with a fan coil installed in any position. With our pre-fabricated knock outs, select the desired position and within minutes it is ready for installation.

### Comes Pre-Piped:

The TXV (Thermal Expansion Valve), site glass, access ports and external freeze stat are already installed. The liquid and suction lines have male solder connections at a standard width making connections to the condenser lines quick and easy.

### Refrigerant modules come with:

- Heat pump ready Thermal Expansion Valve, with built in check valve
- Integrated Site glass
- Integrated access ports
- Integrated external freeze
- Two L mounting brackets
